REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Macedonia Middle School continues to implement our vision which is to challenge and empower our students to be successful in a highly competitive world. Therefore, our goal is to ensure the development of the unique potential of each student as a passionate lifelong learner through a comprehensive and challenging educational program that embraces the best of traditional and innovative practices within a caring, supportive and safe community of learners. Our tradition of excellence was reaffirmed through numerous awards and accolades again this year. We were named a 2010-11 Gold Palmetto Award recipient school for excellent student academic achievement and a Palmetto Silver Award School for Closing the Achievement Gap. As a result of our excellent student academic achievement records, our school was selected to be the only middle school in the state to be on ETV's In Our Schools program featuring the Palmetto Gold and Silver Awards Program Showcase Project. Our Special Education Chairman, Darlene Gaskins, was honored as the 2010-2011 Teacher of the Year. Macedonia Middle School's Technology Student Association (TSA) won 26 trophies at the annual TSA State Convention. For the third year in a row MMS's TSA was awarded the 2010 State First Place Technology Student Association Overall Award. Our High Performance Business Education Partnership with Jefferies Generating Station of Santee Cooper continued through the school year with employee volunteers as CHOICES presenters, Lunch Buddies, and career speakers. We strive to meet the needs of individual students through the expansion of numerous school initiatives. These initiatives include STEM, Accelerated Reading Program, the Eagles Program, the Jamestown Reading Program, the Single Gender Program, Gateway to Technology Program, the Assist Program, and Compass Learning. Two hundred and twenty one students received high school credit in at least one of five credit courses offered at Macedonia Middle which are: Honors English 1, French 1, Honors Algebra I, Algebra II, and Keyboarding. Macedonia Middle School's teachers continue to grow professionally. We are currently piloting a program comparing the use of iPods and net books. Our PTO worked diligently to ensure the success of our AWARDS Program. Our school-wide emphasis for the 2011-2012 school year will be the development of quality assessments.
